## THE FOURTEENTH SUNDAY OF THE YEAR (C) 3RD JULY 2022

### SATURDAY 2ND JULY

Jesus' focus on his destination is evident. Having decided to begin his journey to Jerusalem, he enlists the help of others to proclaim his message: not the twelve, but seventy-two whose names are unknown, but who will do what he has been doing. The process continues today. The work of Jesus is carried out by countless people whose names are unknown, but whose lives proclaim the Good News. Are we among them?

She used her position to found institutions to help the poor and needy. King Denis was well-known to be unfaithful, and she suffered much, but he later repented and she helped him die a good death. After he died she took on the habit of the Third Order of St Francis, continuing her life of prayer and charitable work. The Portuguese call her "The Peacemaker" for her strenuous efforts to reconcile warring factions. She once rode a mule between the opposing armies of her husband and son, to stop a civil war.

*St Maria Goretti (1890-1902) was born into a poor farming family. Because of their poverty, they had to share with the Serenelli family, at Nettuno south of Rome. Alessandro Serenelli, aged twenty, made persistent approaches which she always resisted, being a prayerful and spiritual girl. Her refusal on the final occasion led to a frenzied attack with an awl. She died the next day, forgiving her attacker. He was sentenced to 20 years in prison, unrepentant. Maria appeared to him while in prison offering him flowers. This changed him, and on his release his first act was to visit Maria's mother and ask forgiveness.*

*In Luke, as Jesus journeys to Jerusalem, he tells parables not found in other gospels, like today's well-known Good Samaritan passage. Each parable is told for a reason; this one because a lawyer wanted to justify himself regarding the law about loving neighbour as self. Or perhaps he wants to justify whom he excludes from his list! According to Jesus, a neighbour is anyone in need and anyone who addresses the need of another. Self-justification allowed!*
